

Bailiffgate
MUSEUM & GALLERY ALNWICK

8 March 2021

Dear Applicant

Thank you for your interest in this role. We are delighted to provide information about this opportunity to create a substantial piece of music as part of our Out of Town (OOT) Museum in Coquetdale.

Coquetdale has a strong musical tradition and we would like to celebrate this as part of our wider OOT project which seeks to capture the voices, stories and dialect of local people. You will use OOT audio, written and image collection as source material to create an original composition exploring the relationship between people, places and the journeys that link them.

The final piece should include original lyrics and the spoken word as well as a variety of instrumentation and musical styles. You will work remotely with local musicians and singers of all ages, with a range of musical abilities, to compose this score for both a digital and live community performance in late summer/early autumn of 2022.

The piece will also be recorded and be part of the final exhibition planned to take place at Bailiffgate Museum and Gallery in Alnwick, in autumn 2022 and later at the Sill, National Landscape Discovery Centre.

We would require content to feed into our social media posts and are interested in your ideas about how we can disseminate this composition more widely in the community.

If you require more information about this project. please contact Jane Mann on 0784 910 7080.

Applications must be received no later than noon 26 March 2021 by email to sally.brewis@bailiffgatemuseum.co.uk.

Yours faithfully

S E Bolam
